AIR-CRUISES
2018-19 SEASON
Discover Antarctica

“We must always remember with gratitude and admiration the first sailors who steered their vessels through storms and mists, and increased our knowledge of the lands of ice in the South.”

ROALD AMUNDSEN • Polar Explorer

LANDSCAPE
Antarctica is a remote, magical place that will greet you with its awe-inspiring beauty. See peaceful bays dotted with colossal icebergs; cruise along deep fjords and see massive glaciers; be amazed by sharp snowy peaks that jut out of the sea.

ADVENTURE
Adventure awaits in Antarctica. Cruise at sea level with our Zodiac boats and feel the spray of seawater on your cheeks. Follow in the footsteps of early explorers as you hike on Antarctic soil. Join our optional sea kayaking and hiking & snowshoeing programs.

GLORY
Set foot on the seventh continent and add a new destination to your travel list. You will bring home indelible memories, while tales of your adventurous journey will arouse the curiosity and admiration of your friends and family.

WILDLIFE
In the austral summer, large numbers of penguins, whales, seals, and seabirds congregate along the Antarctic Peninsula to feed and reproduce. Unconcerned by your presence, these animals will provide endless inspiration for your photographs.

Visit the White Continent for a remarkable, once-in-a-lifetime experience
There was a time when adventure travellers who wanted to reach the Antarctic Peninsula had only one option: to sail across the tempestuous Drake Passage. Now ANTARCTICA XXI gives you a more comfortable alternative.

**KEY BENEFITS**

**COMFORT:** Avoid storms in the Drake Passage

**SPEED:** Get to Antarctica quickly and save time

**SIZE:** Enjoy a small-ship, yacht-like experience

**FLY THE DRAKE**

A two-hour flight takes you from Punta Arenas, in the Chilean Patagonia, directly to Antarctica where you board your expedition ship. You thereby avoid the stormy seas of the Drake Passage – and the potential seasickness – and experience only the best Antarctica has to offer.

**CRUISE ANTARCTICA**

ANTARCTICA XXI offers a boutique-style wilderness adventure, not a cruise. Feeling more like private yachts than cruise ships, our small expedition vessels give you privileged access to Antarctica, taking you where larger ships cannot. With a smaller number of passengers, disembarkation is fast and efficient so you spend time exploring, not waiting.

Fly over Cape Horn and the Drake Passage to reach Antarctica quickly and in comfort.
ANTARCTICA XXI’s Unique Features

Antarctic Air-Cruises is all we do. As a boutique specialist we dedicate 100% of our resources to the organisation of your Antarctic trip of a lifetime.

EXPERIENCE AND EXPERTISE
ANTARCTICA XXI pioneered the Antarctic Air-Cruise model. We are the world’s leader in this unique style of travel to Antarctica. We have completed over 140 fly and cruise departures, more than any other company in the world, by far.

ONE FLIGHT PER EXPEDITION
We use a single flight to carry all travellers to and from Antarctica for each of our expeditions. This makes our operation fast and efficient while reducing the chance of weather-related delays compared to the alternatives.

ANTARCTIC VEHICLE
Unique in its kind, “Bigfoot” was specially designed and built for ANTARCTICA XXI. Its traction system can adapt to the changeable conditions of the Antarctic terrain.

HIGH STAFF/TRAVELLER RATIO
Travel with a well-staffed team of at least twelve professional polar guides. Passionate and engaging, they will make your trip memorable.

SMALL IS BEAUTIFUL
ANTARCTICA XXI only operates small ships. With a small group of travellers, disembarkation is fast and efficient so you can spend more time exploring and less time waiting.

Planning Your Trip

THE NATURE OF EXPEDITION TRAVEL
Our air-cruise expeditions are suitable for adventurous travellers who enjoy full mobility and reasonably good health. Expedition travel to Antarctica requires flexibility and adaptation to ever-changing circumstances.

ABOUT YOUR ARRIVAL AND DEPARTURE
If you are joining an Air-Cruise starting in Punta Arenas, you must plan to arrive with a flight that is scheduled to land in Punta Arenas no later than 2 PM on Day 1 of the itinerary. The same deadline applies to travellers arriving directly at the hotel on Day 1. That afternoon, all travellers must attend a mandatory safety and Antarctic guidelines briefing, and an information session covering important practical details. You must also attend a fitting session for your expedition boots. Participation in these activities is essential for the success of the expedition. Travellers who miss the 2 PM arrival deadline will be considered “no-show”. They will not be able to participate in the expedition and will receive no refund. Remember that scheduling tight connections is never wise when travelling to remote places with limited services. Protect your travel investment by building some buffer in your travel plans in case of problems with luggage delivery, flight delays etc. In case your flight that is flight delays and related contingency plans further down.

PARTICIPATION FORM
Participants are required to fill and sign an on-line Participation Form, and to return it to ANTARCTICA XXI at least 120 days prior to departure.

MEDICAL INSURANCE
ANTARCTICA XXI requires participants to be adequately covered by a travel insurance policy that covers aero-medical evacuation from Antarctica as a result of a medical emergency during the trips, including emergencies related to pre-existing health conditions.

ITINERARY
Every effort will be made to adhere to the planned program. However, with this type of adventurous travel to Antarctica, changes to the itinerary may occur due to severe and unpredictable weather. We need to emphasize the fact that weather conditions are unpredictable and that safety is always the paramount concern on any Antarctic voyage. For this reason ANTARCTICA XXI reserves the right to change the itinerary described due to weather conditions or other factors beyond ANTARCTICA XXI’s control without consulting the participants.

CANCELLATION INSURANCE
ANTARCTICA XXI strongly urges participants to be adequately covered by trip cancellation and interruption insurance.

BAGGAGE AND BAGGAGE ALLOWANCE
The maximum weight allowed on the flights to and from Antarctica is 20 kg (44 Lb.) per passenger, including hand luggage. For Classic Antarctica and Polar Circle Air-Cruises, excess luggage will be kept in custody in Punta Arenas and will be handed over to travellers upon their return from Antarctica. For Antarctica Express Air-Cruises, excess luggage will be disembarked at Port Williams and will be sent to Punta Arenas by air cargo at the traveller’s expense. It will be available for pick up in Punta Arenas upon the traveller’s return from Antarctica. The baggage weight limit is a technical requirement imposed by the flight operation. Unfortunately, it is not possible to purchase extra allowance.

Note that at certain points during the expedition you will be required to handle your own luggage.

EXPEDITION LANGUAGE
The official expedition language of our Air-Cruises is English. The voyage will take travellers to remote destinations where the interaction with our polar guides is essential. In the interest of safety and for the enjoyment of the experience, we strongly recommend that travellers who do not understand English are accompanied by someone who does, such as a friend, a family member, or a Tour Leader.

POSSIBLE FLIGHT DELAYS AND CONTINGENCY PLAN
Flights to and from Antarctica operate based on weather conditions. While historically only a minority of flights have experienced a delay, you should be prepared for that possibility.
Contingency Plan

ANTARCTICA XXI has been organizing Antarctic air-cruises since 2003. Over these years we have gained extensive experience in the delicate coordination of land, air and sea operations in the extreme Antarctic environment. While historically a majority of flights has operated on the scheduled day, in some instances weather conditions have required that adjustments to the departure time of Antarctic flights be made to avoid protracted delays. In the unlikely event that the flight to Antarctica cannot take place on the scheduled day due to unfavourable weather conditions, we will apply a Contingency Plan.

The Contingency Plan is included in the cost of your expedition. The primary goal of the plan is to provide an engaging and comfortable travel experience while we adapt to the weather. A change in the flight schedule can impact travel to Antarctica or return back to Punta Arenas, and the plan includes a range of activities determined by the circumstances. Additionally, the Contingency Plan offers you financial protection by providing a refund should weather conditions prevent us from reaching Antarctica.

**THE DETAILS**

*In case the outbound flight to Antarctica is delayed*

The group will remain in Punta Arenas while waiting for an improvement in the weather and for the opportunity to fly to Antarctica. Included are accommodation at the Cabo de Hornos Hotel or similar, meals, and guided excursions to local attractions. If by 2 PM on Day 4 of the itinerary it is still impossible to reach Antarctica, the trip will be interrupted and the cruise fare will be refunded.

*In case the return flight to Punta Arenas is moved forward*

In those cases when the forecast suggests the likelihood of unfavourable weather conditions in Antarctica persisting for several days, the flight back to Punta Arenas may be moved forward to the previous evening as a way to avoid a protracted delay in Antarctica. Accommodation at the Cabo de Hornos Hotel or similar is included upon arrival. All other inclusions will remain per the original itinerary.

*In case the return flight to Punta Arenas is delayed*

The group will remain in Antarctica and wait for the opportunity to fly to Punta Arenas. Included are meals and accommodation on the ship, and local excursions. Upon arrival in Punta Arenas, the trip will end at the airport. Travellers are responsible for any expenses associated with the rescheduling of their airline tickets or onward travel plans.

*Please refer to the Contingency Plan section of our Terms and Conditions for further details.*
Useful Tips

**SUGGESTED CLOTHING**
The average temperature in the Antarctic Peninsula area during the austral summer is about 0°C (32°F), although sometimes it may feel a little lower because of the wind chill factor. For this reason, it is best to wear several layers of light, warm clothing. The suggested clothing for Antarctica is very similar to that recommended for skiing: thermal underwear, a couple of warm and wicking mid layers, and windproof and waterproof jacket and pants as the outer layer. You will also need a hat, a scarf, waterproof and insulated gloves, and sunglasses with high UV protection. The pre-departure material provides further details.

**WATERPROOF BOOTS**
As most landings in Antarctica are “wet landings”, the best footwear is knee-high waterproof boots. You will not need to carry them with you since ANTARCTICA XXI will provide you with a pair of thermal rubber boots before arriving in Antarctica.

**FACE PROTECTION**
Good quality UV filtering sunglasses are essential. Glacier glasses have leather flaps at the sides to stop the light from passing through. Due to the high reflectance of UV radiation, you will also need good sun block lotion for your face (protection factor 30 and above) and lip balm.

**ON-LINE GEAR SHOP**
ANTARCTICA XXI is pleased to offer you the exciting opportunity to get equipped for your Antarctic air-cruises through our on-line store, the ANTARCTICA XXI Gear Shop. With a simple click on the “Gear Shop” button at www.antarcticaxxi.com or directly at http://antarcticaxxi.newheadings.com you may browse and shop from a unique collection of high quality apparel and gear that will help you get ready for your polar adventure.

**PHOTOGRAPHY**
To see the wildlife you should have a good pair of lightweight binoculars (the suggested magnification is 7x or 8x). If you are passionate about photography, do not forget a good zoom lens to shoot wildlife while avoiding close approaches. Also, take with you a good supply of memory cards and spare batteries since cold temperatures can reduce their life span.

**FURTHERMORE...**
Do not forget to take with you:
- Personal medications.
- Backpack to carry your belongings during shore excursions.

With this, the passenger understands and accepts all provisions without restriction, including their consequences, contained in ANTARCTICA XXI’s Terms and Conditions.

PAYMENT, CANCELLATION AND REFUND POLICIES
The following payment, cancellation and refund policy will apply in the case of individual bookings; in the case of charters (booking of the entire tour and vessel) or group bookings specific payment, cancellation and refund terms can be negotiated and agreed upon by separate contract. In the case of cancellation of a booking, which must be done in writing by the passenger, the following terms will apply:

In the event of such a cancellation, all monies received by ANTARCTICA XXI from the passenger or the passenger’s booking agent for that tour will be refunded, including the deposit mentioned in the General Booking Terms. ANTARCTICA XXI shall not be liable for any special or consequential damages, whether known or unknown, neither for any costs of air ticket, hotel or similar expenses that the passenger may have incurred in or will incur in, under any circumstances whatsoever.

ANTARCTICA XXI also reserves the right (in its sole and absolute discretion) to alter or omit any part of the itinerary with due notice to the passengers wherever practicable. Such rescheduling does not constitute a cancellation by ANTARCTICA XXI. All reasonable efforts will be made by ANTARCTICA XXI to ensure that the passenger’s travel objectives are met. ANTARCTICA XXI strongly recommends all passengers to purchase travel cancellation and interruption insurance as protection against an unforeseen event which may force them to cancel their booking before departure or leave a tour while it is in progress.

PRICES
The prices of tours are indicated in U.S. dollars (USD). Prices quoted are based on tariffs, exchange rates, and fuel prices in effect at time of publication and are subject to change prior to departure. Substantial changes in taxes, tariffs, exchange rates and fuel prices can increase the cost of expedition arrangements significantly. ANTARCTICA XXI reserves the right to alter prices or introduce surcharges accordingly, even when payment has already been received in full.

RESPONSIBILITY
ANTARCTICA XXI is not responsible for any expenses incurred by the passenger or passenger’s booking agents in preparing for the voyage, including non-refundable or penalty-carrying airline tickets, special clothing, visa or passport fees or other voyage related expenses. A tight time-schedule connection with an Antarctic voyage is unwise. For this reason, ANTARCTICA XXI strongly suggests that a flexible air ticket be held for your journey home. In no case is ANTARCTICA XXI responsible for any expense or penalty incurred by the passenger or passenger’s booking agents deriving from a change in the ending date of the Tour.

Participants should understand that there are certain known and unknown hazards involved in Antarctic voyages, which they accept willingly and voluntarily at their own risk at the moment of forwarding the deposit. ANTARCTICA XXI will not be liable for any illness, injury or death sustained during a tour, nor will it be liable for any uninsured loss or damage of property of any participant, whether caused in whole or in part by the negligence of the owners, directors, agents, officers, employees, contractors or sub contractors of ANTARCTICA XXI, or those acting as its agents.

ANTARCTICA XXI shall not be responsible for any injury to persons (whether or not resulting in death) or damage to property arising out of any act of war, terrorism, insurrection, revolt or other civil or military uprising occurring in the countries of origin, destination or passage. ANTARCTICA XXI acts only as agent on behalf of shipping and transport companies, airlines, hotels, and other suppliers providing services that are included in the tour, and as such ANTARCTICA XXI will exercise every possible care. However ANTARCTICA XXI, its subsidiaries and/or associated agents shall not be held responsible for property loss or damage and/or any damages resulting from illness, personal injuries or death that may be sustained by reason of, or while engaged in, any tour whether due to the ownership, maintenance, use, operation or control of any air, sea or land carrier or any other conveyance used in carrying out these tours. ANTARCTICA XXI can assume no liability due to any cause whatsoever whether caused by failure or delay or other irregularity, acts or omissions occurring during a tour under which the means of transportation or other service provided thereby is offered or supplied by owners, operators or public carriers for whom ANTARCTICA XXI acts only as agent. The Passenger Contract in use by the carriers concerned (when issued) shall constitute the sole contract between the transportation companies and the purchaser of these tours and/or passage. By accepting ANTARCTICA XXI’s Terms and Conditions, the passenger also accepts without reservation the provisions contained in the Passenger Contract in use by the shipping and transport companies, airlines, hotels, and other suppliers providing services that are included in the tour.

Back to summary
Keeping in mind that safety is the paramount concern, ANTARCTICA XXI strongly urges participants to check with their insurance agent to make sure that they are adequately covered for all eventualities. In the case of a medical problem arising during the tour, including those related to pre-existing conditions, which results in costs for evacuation or repatriation, the responsibility for payment of these costs belongs solely to the passenger. ANTARCTICA XXI requires that such eventualities are covered by travel insurance. If not covered by travel insurance, the responsibility still remains with the passenger and ANTARCTICA XXI specifically declines any responsibility whatsoever. ANTARCTICA XXI’s staff, agents and representatives, other than an Officer of ANTARCTICA XXI, are not entitled to promise refunds for whatever reasons, and ANTARCTICA XXI will not be bound by any such oral or written promises.

On any flight (to or from Antarctica), or in any sea operation, such operations will be carried out exclusively and absolutely according to the judgment of the Captain of the aircraft or the vessel, whose decision will be definite and will not be questioned by any party. It is understood that such decisions will be made in the best interests of all the passengers.

Participants have no right to any refund or other considerations in the event of using substitute means of conveyance, accommodation, infrastructure, and/or services.

These tours are intended for persons in reasonably good health. By forwarding the deposit the passenger certifies that he/she does not have any physical or mental conditions or other condition or disability that can create a hazard to himself/herself or other passengers. However, ANTARCTICA XXI reserves the right to use substitute means of conveyance, accommodation, infrastructure, and/or services in the case of unfavourable conditions or other factors that ANTARCTICA XXI considers convenient, either at point of origin and/or transit and/or destination.

The use of substitute means of conveyance, accommodation, infrastructure, and/or services will be carried out exclusively and absolutely according to ANTARCTICA XXI’s judgment. It is understood that such decision will be made with regard to ensuring the safety of air, land and sea operations, accomplishing the itinerary of each tour, maintaining standards of service similar to the ones originally arranged, and in the best interests of all the passengers.
